WEEDON ISLAND PRESERVE KAYAK TRIP

DATE AND TIME TBD

Weedon Island Preserve is a 3,190-acre nature reserve with hiking paths, birdwatching, a paddling trail & canoe/kayak rentals.

Join us as we take a relaxing kayak journey through the Weedon Island Preserve! Our tour will begin by taking you into the pristine blue waters and seagrass meadows of the Weedon Island Preserve as we search for manatees and dolphins. After hanging out with our underwater friends, we will then make our way to the winding mangrove tunnels. These mesmerizing tunnels stretch for miles and are some of the longest tunnels in all of Florida. While paddling through these tunnels, be on the lookout for mangrove crabs, mullet, and countless varieties of birds that nest inside the mangrove forests. All along the way our experienced tour guides will be answering all of your questions and will educate you about the history and wildlife of the Weedon Island Preserve.

The Tour is conveniently located just 10 minutes from downtown St. Petersburg and 25 minutes from downtown Tampa. Public Restrooms will be available before and after all tours.

Start times vary due to the tides. Specific times are available on the calendar when booking your kayak adventure.
